OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 6 March 1968

25X1

1. [REDACTED] Mary Riegel, in the office of Senator Abraham Ribicoff, called on behalf of a Junior at Vassar specializing in international relations and interested in summer employment. I explained the nature of our limited summer employment program and Miss Riegel appeared to fully appreciate the factors involved. I invited an application for full-time employment should the individual be interested in pursuing a career with the Agency.

2. [REDACTED] Spoke with Mr. William Woodyear, Department of State, who indicated that there was no further progress on the draft legislation on retirement incentives. In connection with the Hays bill, adjusting Foreign Service annuities, he said there might be something to report later in the evening and offered to keep us advised. It is quite possible that the Hays bill might be sidetracked by the foreign aid authorization now in committee. However, he said the rider concerning liberalized retirement benefits for members of Congress may help.

3. [REDACTED] Received a call from the office of Representative George M. Rhodes (D., Pa.) to determine whether the Agency's summer employment program was still limited to employee's dependents as it has been in the past. I explained the program was the same and the caller appeared to have no problems on the limitation.

4. [REDACTED] Larry Conrad, Subcommittee on Constitutional Amendments, Senate Committee on Judiciary, asked that some application forms and professional brochures be sent him. I said I would be happy to take care of it.
